

Hello Sir. Thank you for your service.

My name is Katie and I am the owner of Silver Star Homecare. Not only do we have wonderful caregivers to help seniors who need a little extra care around their home, we also can assist Veterans get funding for care. For Veterans, spouses, and surviving spouses, 65+, we can assist them in getting the VA Aid and Attendance benefit they deserve.

I would love to talk to you more about helping senior Veterans.

Please visit silverstarhomecare.com, Silver Star Homecare on Facebook, and give me a call.

Best regards,
